Dear Friends:

I cannot believe we are approaching our one year anniversary!!!. Thank you all so much for your continued patronage and making The Quilter's Garden the success it is. I hope you will be able to enjoy some of the fun classes we have to offer this Spring. Since our class room is small, I have decided to limit our class size to eight students to ensure everyone's comfort. We have several new clubs announced in this newsletter including Eleanor's Strip Club. We also have several ongoing monthly classes that you may join at any time. Fall Market and Festival were fabulous, and you will be seeing various items from the show as they arrive in the store. As always, new fabric, books and patterns are always arriving, and I hope to continue to provide you with the latest and greatest in your favorite colors and designs.
